

23.9.2020 – Stop Press

Dear Parents and Carers,

Please see attached the letter from the NHS regarding Track and Trace. Please do take a careful read.

We would like to remind parents about the times to self-isolate.

This is a very handy link.

<https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/>

In summary

- The person who has symptoms or a positive test – 10day isolation. They can then return to school if they are well enough to do so.
- Everyone who has someone in their household/support bubble has symptoms or a positive test – 14 days isolation.

Whilst there was no school announcements made yesterday, it is essential that everyone follows these rules, so we don't risk a school level or local lockdown.

We are all so delighted the children are back in school – let's do everything we can to keep us here!

best wishes

Miss Ball
