Our Polehampton values are tools to allow us to explore our Polehampton vision – how do we “let our lights shine”?

When reviewing our values, we asked ourselves some questions – we are on a journey of discovery together!

How can our “big questions” help us explore our values? What other words will help us consider these values?

What does the Bible tell us about these values? What can we learn from stories from other faiths?

How can collective worship be inspirational, inclusive and invitational so we can have shared experiences?

How can we develop these qualities in ourselves?

Our Polehampton values are at the heart of our whole school community, so we learn, grow and succeed.
