

Polehampton C. of E. Junior School - The PE and Sports Grant 2018-19

Each year schools receive the PE and Sports Premium Grant. This grant must be spent by schools on improving the provision of PE and sport for the benefit of pupils so that they develop healthy lifestyles. The intention is that the premium should leave a legacy of improved sporting performance, increased participation and better promotion of health and well-being.

Schools are required to publish, on their website, information about their use of the PE and Sport Premium Grant allocation. We need to tell you the amount of grant received; how it has been spent (or will be spent); what impact the school has seen on pupils' PE and sport participation and attainment as a result and how we will make sure these improvements are sustainable.

It is expected that schools will see an improvement against the following five indicators:

1. The engagement of all pupils in regular physical activity – kick starting healthy, active lifestyles
2. The profile of PE and sport being raised across the school as a tool for school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Year PE Grant received	What we spent it on	What impact has it had / will have	How the improvements will be sustainable in the future (legacy / next steps)
2018/19 £18,380	<ul style="list-style-type: none"> • Coaches working with children at lunchtime <p style="text-align: center;">£3120</p>	<ul style="list-style-type: none"> • Extended from last year • Improved opportunities for children to play more structured sports at lunchtimes, helping them develop skills of following rules, taking turns, understanding winning and losing, keeping active. • Empowered children to be able play safely together. 	<ul style="list-style-type: none"> • These are life skills that children will develop. • Playing structured games impacts on pupil's behaviour during playtimes and lunchtimes and leads to a smoother transition to the classroom and a positive attitude towards learning.
	<ul style="list-style-type: none"> • Life bus sessions for all pupils <p style="text-align: center;">£988</p>	<ul style="list-style-type: none"> • This facility raises children understanding and awareness of a healthy lifestyle. It explains the damaging effects of substance abuse and encourages children's care and respect for themselves. • Parents are invited to visit the life bus extending the learning to the pupil's home life 	<ul style="list-style-type: none"> • Using the funding towards the Life Bus sessions is targeting pupils and their families so the legacy of healthy living can be taken home and changes made to improve lifestyles.
	<ul style="list-style-type: none"> • Provision of fruit and vegetables at break time for every child <p style="text-align: center;">£1176</p>	<ul style="list-style-type: none"> • Extended from last year • Provision of a free healthy fruit and veg snack for all, each day, provides energy, particularly needed for the running. We are teaching the life skill of choosing something healthy to eat as a snack. It is a highly worthwhile expenditure, supporting the school's 3 mile a week venture. 	<ul style="list-style-type: none"> • Pupils will be encouraged to develop lifelong healthy snack choices. • This enables pupils to try many different fruits and vegetables and expand their tastes.

Polehampton C. of E. Junior School - The PE and Sports Grant 2018-19

	<ul style="list-style-type: none"> Resources to enhance sports activities such as netball & football. New equipment for lunchtime play <p>£1000</p>	<ul style="list-style-type: none"> New sports equipment enhances sports activities the school already does Lunchtime equipment will enable children to participate in physical activity on their own or in small groups 	<ul style="list-style-type: none"> More pupils will engage in regular physical activity More pupils will be encouraged to develop active lifestyles Providing a range of sporting activities will ensure maximum participation rates.
	<ul style="list-style-type: none"> Increased participation in sports events and tournaments Costs of participation in events, staff time to organise the off-site events, staff cover time to supervise children taking part, minibus costs. <p>£3488</p>	<ul style="list-style-type: none"> Allow more children taking part in competitive sport. For example inter school cross country events (20%), football (20%), swimming galas, netball, table tennis, and athletics competitions. 	<ul style="list-style-type: none"> Gifted children in sport are highlighted and supported. Participation in tournaments often leads to invitations to local clubs for the talented e.g. Woodley netball, Reading Athletics Sports such as running becomes a lifelong skill for a higher percentage of children
	<ul style="list-style-type: none"> Extend and improve our swimming provision <p>£2200</p>	<ul style="list-style-type: none"> Employ an additional swimming coach this year to enhance our swimming lessons. This will mean that one coach can be targeted to pupils not able to meet the swimming requirements of the national curriculum 	<ul style="list-style-type: none"> Allow more pupils to achieve a higher standard of swimming before they leave primary school. A number of our pupils attend out of school clubs which encourages others to see high standards and encourages them to put in greater effort.
	<ul style="list-style-type: none"> Maintain the external sports markings and existing PE equipment (including long jump pit) <p>£1090</p>	<ul style="list-style-type: none"> Ensure items that have been installed using PE funding in the past are maintained 	<ul style="list-style-type: none"> Pupils will become more active and learn new skills and games Investing in PE equipment that is long lasting will broaden the range of sports and activities for all children.
	<ul style="list-style-type: none"> Install a new music system in the hall Provide a dance day for all pupils <p>£3077</p>	<ul style="list-style-type: none"> The new music system will enable more dance activities to take place during the school day and extra-curricular. This will broaden the range of physical activity offered. The day of dance will enable pupils to experience different styles of dancing 	<ul style="list-style-type: none"> Pupils will learn new dance skills which could inspire them to continue out of school.

Polehampton C. of E. Junior School - The PE and Sports Grant 2018-19

	<ul style="list-style-type: none"> Purchase of new football and cross country kit <p>£1341</p>	<ul style="list-style-type: none"> Enhances the team identity and promotes important qualities in team sports 	<ul style="list-style-type: none"> New kit will be available for many years. This will now be extended to other sports such as netball and tag rugby.
	<ul style="list-style-type: none"> New blinds for ASC room <p>£700</p>	<ul style="list-style-type: none"> Provide privacy for changing for sports lessons / events including swimming. 	<ul style="list-style-type: none"> This fits in with our safeguarding policy and also ensures pupils are comfortable changing for PE in the future.
	<ul style="list-style-type: none"> Cost of participation in sports competitions <p>£240</p>	<ul style="list-style-type: none"> Increase uptake of local sports competitions Pupils benefit from engaging in friendly competition both at school and between schools 	<ul style="list-style-type: none"> Stronger links with local clubs, organisations and schools Increase in access to sports clubs out of school (pupils get invitations when they attend events at other venues).

Meeting national curriculum requirements for swimming and water safety (As at the end of year 5, July 2018)	
Percentage of our current Year 6 cohort that can swim competently, confidently and proficiently over a distance of at least 25 metres	93%
Percentage of our current Year 6 cohort that can use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]	73%
Percentage of our current Year 6 cohort that can perform safe self-rescue in different water-based situations	73%
