

Sunday 3<sup>rd</sup> January 2021

Dear Parents and Carers,

I hope you all had a restful holiday. I imagine it probably wasn't the one you had planned, but I hope you found some little moments of peace and joy. I am sure your children gave you lots to smile about!

Whilst there are lots of reasons to have hope for the future, we are still living in very uncertain times. We will need our best Polehampton spirit for the weeks and months ahead.

As things stand now, we will open for children on Tuesday as planned. You will appreciate that things are changing all the time, both nationally, locally and within our own schools. Please keep an eye on your emails and make sure we have your best contact details at all times.

Tomorrow, we have a staff training day. Our senior staff have already updated the risk assessments, in light of the fact that we are now in Tier 4, which we will review with staff tomorrow.

I will then write to you with further updates as necessary.

We look forward to seeing you and your children for our Spring Term 2021!

best wishes

Miss Ball
