This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

**The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).**

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

At Polehampton Church of England Infant and Junior Schools, our vision is "Let your light shine" (Matthew 5:16). Jesus reminded us in Matthew's gospel that we are lights for the world. As we seek to follow him, we can share his light with others and change the world. Supported by our school values of gratitude, friendship, perseverance, forgiveness, honesty and compassion, we seek to help pupils make positive choices in all they do. We follow our Christian values to enable everyone in our school community to let their light shine. At Polehampton Church of England Infant and Junior Schools, we want all our pupils to be able to let their light shine, regardless of their background. With this in mind, our vision is to use the PE and Sports Premium Grant to enhance PE for all pupils, including for those with additional needs, so that we can all let our light shine.

This is particularly applicable for PE, where pupils are able to develop core skills for future years in the following broad ways:

- Develop core foundations for sport provision.
- Develop an enjoyment of healthy living and understanding how to live a healthy life.
- Develop core skills in how to interact with others, play as part of a team, develop resilience to challenge/failure and learn how to enjoy and manage success, so that pupils can let their light shine in all aspects of their sporting and active movement lives.

Polehampton CE Infant School has also recently renewed its focus as an Active Movement school, and uses this to promote a reduction in inactivity within the classroom.

Our values of **gratitude, perseverance, honesty, friendship, tolerance and compassion** can be seen throughout our PE lessons and wider sports offer. Through these values, we provide a happy, exciting and encouraging environment where children can flourish and develop as individuals. We offer a challenging, broad and relevant curriculum that enables all children (regardless of their background, faith, race, ability or gender) to do their best and achieve well.

Our Values	Impact on the Sports Premium Spending
Gratitude	We show gratitude for the opportunities that we have in our area for sports, with local events, the Junior School's swimming pool, TKAT events and enrichment activities within our school.
Perseverance	Children are encouraged to challenge themselves in a range of activities which are accurately assessed with next steps provided. This ensures that there is continual growth in physical, mental and social development helping the child to be the best they can.
Honesty	This value ensures we can act as good sportspeople by following the rules and showing respect for the referee, rules, their teammates, opposition and traditions of the sport or activity. It is essential we are always honest when participating in school sports and fitness, so that we can become stronger and healthier.
Forgiveness	This value is especially important in sports, as pupils will make sporting errors as they learn new skills. Our pupils offer forgiveness to others when things don't go right, so that we can learn from this, and grow and develop.
Compassion	Many pupils will not be of a similar skill level at a certain sport, for example. Showing our school value of compassion allows us to think about how we can help others to enjoy an activity in a different way and still participate in a meaningful way.
Friendship	Teamwork is a key part of PE, and how we can work together to participate in an active and healthy lifestyle is a powerful driver for us.
