

Special Diet / Allergy Form

We are committed to providing meals for children needing special diets for medical requirements, where possible. Caterlink work closely with their suppliers and aim to be as accurate as possible but it must be noted that they can only be guided by the information the suppliers provide, similar to the process of a parent catering for a child's special diet.

It is essential that all parties concerned work together when providing a safe special diet and that this is reviewed with every menu change, therefore please ensure this form is fully completed.

It is vital that all forms are accompanied with a referral letter from a medical professional (G.P/ consultant /dietician), It is important the unit manager and kitchen team or servery supervisor have met the child requiring the special diet to ensure they give the right meal to the right child. **This form must be handed into the school (not the Caterer) and discussed with them.**
