

Polehampton C of E Schools ~ 8th March 2024

"Let your light shine" Matthew 5:16

What a wonderful week we've had a Polehampton with parents' evenings and World Book Day. The children have loved talking about, listening to, and celebrating the incredible books they have available to them. **The infants particularly enjoyed the masked readers - thank you so much to our parent volunteers; what an eclectic adult fancy dress collection there is in Twyford and surrounding areas!** **The juniors loved learning about the power that stories hold and the magic that lays within them; exploring which of our school values some very well-known book characters demonstrate.** Starting this week, we will be introducing Weekly Suggested Reads for children and hopefully, in the future, parents. Please see below.

This week, all our lead characters are female as its International Women's Day and, in 2024, you are still one and a half times more likely to find a male 'lead protagonist' in children's literature!

Early Years	Key Stage 1	Lower Key Stage 2	Upper Key Stage 2

It's Comic Relief next Friday! This will be a non-uniform day (with a red accessory if you have one) and a suggested donation of £1. Please note that we won't be selling red noses.

Please see the 'Big Tidy Up' poster from Twyford Parish Council attached to today's email. Coincidentally, this is something we celebrated in today's shining light assembly (well done, Darcie!) and would be great to see others involving themselves with.

A polite reminder that we will not be authorising any holidays in term time, at either school.

We hope you have a lovely weekend, enjoying this glorious Spring sunshine!
