

Polehampton C of E Schools ~ 15th March 2024

"Let your light shine" Matthew 5:16

It's been a different week than normal with lots of movement in and out of the schools for trips and visits. Our Year 5's did us super proud while they were away at Woodrow High House this week - in the rain and the mud! We have posted some photos to our X (Twitter) page for you to see and some children have written a report that's attached to the email. Year 2 were also out this week, visiting Reading Museum as part of their History topic; learning about Huntley and Palmers. They also got to go on the train which, as one would imagine, was a very exciting adventure!

Thank you for donating to Comic Relief and sending your children in with something red (the amount of red was impressive!) today. We've discussed the work that Comic Relief do to combat poverty globally and, as always, we encourage the children to reflect on the part they play in that too.
