DIRECTIONS FOR DROP OFF AND COLLECTION FROM POLECATS OSC

There is now an automated gate here. Please ring the buzzer and someone from the Polecats OSC team will answer, ask who you are and who you are here to collect.

When verified, you will be buzzed through. Please push the gate open, and ensure it closes properly behind you. Then, continue following the path marked in yellow on the map to the Jubilee Room door, where you can collect your child/ren.

Please note that the Kibblewhite Crescent gate that is used by Polecats OSC is the pedestrian gate to the right of the vehicle gate.
