

Polehampton C of E Schools ~ 10th February January 2025

"Let your light shine" Matthew 5:16

Today, our new behaviour policy is being published on our website. Please do familiarise yourself with this. Very little has changed in our approach but we felt it needed to be presented differently so that all stakeholders are able to fully understand its content, and have a better understanding of the schools' stance on dangerous behaviour.

Thank you for your understanding of our postponing of the Maths Mastery workshop. The infants, particularly, has been hit by staff absence this week. We will provide another date for this in due course.

It's the infant disco tonight so expect a multicolour haze of sequin reflections over Hermitage Drive this evening. Thank you so much to the PTA for organising this.

The TRHA have their spring show on 22nd March; they support the school by kindly donating bulbs, compost and seeds. There is a flyer attached the email.

We have been unable to access our account on X, as the change in our email addresses has prevented us from resetting the password. We are working with our IT support to gain access to X again but, as is the way with schools, it keeps slipping down the list! We do hope to get it up and running in the not-so-distant future.

This week our Year 5s visited Woodrow High House for their three day residential trip! They had an absolutely incredible time working in teams and practising skills that are less easily mastered in a classroom environment. Room inspections took a creative twist with poetic welcomes to staff and creative placement of belongings. A huge thank you to our staff for taking care of the children round the clock, being away from their own families - being so upbeat! Here is a taster of what the children got up to!

We have a vacancy for a teacher, please see the website for more details.
