

Polehampton C of E Schools ~ 7th March 2025

"Let your light shine" Matthew 5:16

The teachers loved seeing so many parents engaged with parents' evening this week. If you were not able to meet with your child's teacher, please do arrange this via email over the coming week.

Thank you, junior school parents, for managing the changes this time - with Polecats *and* the building work we are currently undertaking!

Parents' evening is so valuable as it offers a chance to discuss your child's academic progress, behaviour, and general wellbeing. It fosters a strong partnership between home and school, ensuring we both are on the same page when it comes to supporting your child.

In the spirit of home-school relationships, our 'Focus on Feedback' is being sent alongside this bulletin.

Thank you to the few parents who attended the Mental Health and Wellbeing Workshop, the slides for this PowerPoint will be sent out alongside this bulletin.

Miss Ackerman is running the Maths Mastery workshop on Friday 14th March.

We are going to review our school workshops after this and would appreciate feedback as to how we can improve the uptake for these. We will be considering whether we need a benchmark number of attendees before we confirm them to parents. We will update you as to our decisions about this.

We had a wonderful World Book Day at Polehampton this week! We know there are a vast array of the most incredible books and try and encourage children to access these to throughout the year.

WBD saw characters from the following books (favourites of children and adults alike):

The children redesigned front covers, wrote book reviews and character descriptions, listened to different stories and celebrated how fortunate they are to have access to the world through them.

Now would be a great opportunity to capitalise on your child reading the books they saw being discussed on WBD.

Thank you so much, to our wonderful PTA, for the Infant Flipathon on Tuesday! The children had the best time and we think the parents did too! The weather was absolutely amazing and made the day feel just wonderful.

What a week! We hope you have a lovely weekend.
