## Curriculum Milestones: Art and Design

### Introduction

Milestones are designed to provide focus for progression points throughout a child's journey through the school. Early Years Foundation Stage is also included in this document to highlight the links between Early Years and the National Curriculum. For Years 1 to 6, teachers refer to the [National Curriculum](#) at all planning stages.

### Milestones overview: Early Years Foundation Stage

There are separate plans for EYFS which outline the topics covered and highlight cross-curricular links (including within the National Curriculum). Below is an explanation of how the subject links with the Areas of Learning in EYFS.

### Milestones overview: Years 1 to 6 (National Curriculum)

We follow the National Curriculum. Using the National Curriculum as our core document, we have created milestone objectives for Key Stage 1 (KS1), Lower Key Stage 2 (KS2) and Upper Key Stage 2 (KS2) based on our own curriculum needs, desired assessment outcomes and research from a range of sources.

Area of Learning: <b>Physical Development</b>	
Nurseries (3/4 y/o)	<ul style="list-style-type: none"> <li>Use large-muscle movements to wave flags and streamers, paint and make marks.</li> <li>Choose the right resources to carry out their own plan.</li> <li>Use one-handed tools and equipment, for example, making snips in paper with scissors.</li> <li>Use a comfortable grip with good control when holding pens and pencils.</li> </ul>
Reception (4/5 y/o)	<ul style="list-style-type: none"> <li>Develop their small motor skills so that they can use a range of tools competently, safely and confidently.</li> <li>Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor.</li> <li>Develop overall body-strength, balance, coordination and agility.</li> </ul>
End of Reception: ELG	<p>Fine Motor Skills</p> <ul style="list-style-type: none"> <li>Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases.</li> <li>Use a range of small tools, including scissors, paintbrushes and cutlery.</li> <li>Begin to show accuracy and care when drawing.</li> </ul>

Area of Learning: <b>Expressive Arts and Design</b>	
Nurseries (3/4 y/o)	<ul style="list-style-type: none"> <li>Explore different materials freely, in order to develop their ideas about how to use them and what to make.</li> <li>Develop their own ideas and then decide which materials to use to express them.</li> <li>Join different materials and explore different textures.</li> <li>Create closed shapes with continuous lines, and begin to use these shapes to represent objects.</li> <li>Draw with increasing complexity and detail, such as representing a face with a circle and including details.</li> <li>Use drawing to represent ideas like movement or loud noises.</li> <li>Show different emotions in their drawings and paintings, like happiness, sadness, fear, etc.</li> <li>Explore colour and colour mixing.</li> </ul>
Reception (4/5 y/o)	<ul style="list-style-type: none"> <li>Explore, use and refine a variety of artistic effects to express their ideas and feelings.</li> <li>Return to and build on their previous learning, refining ideas and developing their ability to represent them.</li> <li>Create collaboratively, sharing ideas, resources and skills.</li> </ul>
End of Reception:	Creating With Materials
