This is a Trust policy to be implemented by all schools within The Keys Academy Trust to ensure a consistent approach for all employees of the Trust.

We are a family of distinctive schools at the heart of the diverse communities we serve. In line with our Christian ethos, we aspire to excellent learning and pastoral care for pupils and staff and are committed to being open and welcoming to all.

Commitment to Attendance

The staff of [our school](#) are committed, in partnership with the parents/carers, pupils, governors, trustees of The Keys Academy Trust and the Local Authority, to provide an education of the highest standard for all our children.

Aims

At Polehampton, we aim to:

- Create a culture in which good attendance is expected as the norm
- Maintain high levels of attendance and minimise persistent low /poor attendance (below 90%)
- Maintain effective communication regarding attendance between home and school
- Demonstrate that good attendance and punctuality is valued by the school

Attendance Targets and Registers

- We aim to keep whole school attendance above 96%
- We understand that the rules governing the maintenance of registers, including removal from roll, are contained in the Education (Pupil Registration) (England) Regulations 2006. Attendance registers are legal documents that may be required as evidence in Court cases. (See ANNEX A, Appendix B)

Leadership and Management

To allow our pupils to let their lights shine and to enable all in our school community to flourish, we will:

- Offer a clear vision for attendance, underpinned by high expectations and core values, which are communicated to and understood by all staff, pupils and families.
- Make sure all staff, pupils and families understand that absence from school is a potential safeguarding risk and understand their role in keeping children safe.
- Expect good attendance and punctuality from all members of the school community and make sure that all pupils understand its importance.
- Convey clear messages about how absence affects attainment, wellbeing and wider outcomes. Empower all staff to take responsibility for attendance.

- Recognise attendance as an important area of school improvement. Make sure it is resourced appropriately (including through effective use of pupil premium funding) to create, build and maintain systems and performance.
- Have a designated Senior Attendance Champion, in the senior leadership team with clearly assigned responsibilities which are identified within the attendance policy, escalation of procedures and school improvement plan.
- Make sure staff receive professional development and support to deploy attendance systems effectively.
- Governors should have an accurate view of school attendance and engage in escalation procedures where appropriate.
- Governors should use attendance data to understand patterns of attendance, compare with other schools, identify areas of progress and where greater focus is needed.
- Governing body to designate a member of staff to have responsibility for the promotion of the educational achievement of looked-after and previously looked-after pupils
- Creatively use the Pupil Premium Grant and any other funding to support groups of pupils at risk of persistent absence

The Headteacher is responsible for:

- the implementation of the policy.
- all staff knowing and understanding their responsibilities for attendance. To implement the correct training for all staff
- agreeing whether an absence should be authorised. The power to authorise an absence rest with the Headteacher or delegated person within the school, and not with parents or the local authority – **see Appendix A for circumstances under which an absence will be authorised;**

- modelling respectful relationships and appropriate communication for all staff and pupils. This will help relationships between pupils and staff to reflect a positive and respectful culture.

All staff members should:

- treat pupils with dignity
- build relationships rooted in mutual respect and observe proper boundaries
- take into consideration the vulnerability of some pupils and the ways in which this might contribute to absence

- Any person who, although not a natural parent, has parental responsibility for a child

- Any person who, although not a natural parent, has care of a child (having care of a child means that a person with whom the child lives and who looks after the child, irrespective of what their relationship is with the child) is considered to be a parent in education law.

We expect that all pupils will:

- Attend school every day for the entire duration of the academic year unless there are good reasons for their absence;

Parental Responsibility Measures

The Local Authority Education Welfare Service offers a traded service to ALL schools to provide specialised attendance support and administer the parental responsibility measures for attendance which include:

- Parenting Contracts
- Fixed Penalty Notices
- Education Supervision Orders
- Fast Track intervention
- Prosecution
- Application for Parenting Orders as an auxiliary Order

In addition to this the Education Welfare Service provides:

- case work and addressing barriers to education
- exclusion information & guidance including attendance at a GDC and supplementary Local Authority Statement
- an annual register audit with a written report submitted to the school
- training, surgeries, and network meeting opportunities to share good practice
- support for the school with Persistent Absence reduction
- help for the school to become Ofsted ready
- the establishing of effective home-school links
- regular consultations to support early recognition and intervention of attendance concerns
- representation of schools in a range of multi-agency forums
- coordination of enforced attendance
- training and advice to school staff
- advice and guidance on attendance matters

Thresholds for referrals to the Education Welfare Service under traded service are through regular consultation with the school and where:

- The pupil is persistently absent (under 90%)
- Most absences are unauthorised

- The school can evidence that early intervention has been completed with the family and absences continue to cause concern

Where support is not successful, not engaged with or not appropriate, legal intervention remains an important part of local authorities' powers to protect every child's right to a full-time education.

Encouraging Good Attendance

The school encourages good attendance by:

- using clear and consistently applied systems and processes to improve, reward and incentivise attendance and address absences. Making sure these systems are inclusive and appropriate for all pupils.
- publicising good attendance during assemblies, newsletters and the termly report to the Governing Body.

Punctuality Measures

The office staff monitor lateness.

They inform:

- the Head/SLT/Teachers of patterns of lateness.
- parents of the school's concerns and arrange a meeting so that the problem can be addressed.

Process:

- The School gates are opened **at 8.35 am; the gates close at 8.45am. Pupils are then expected to enter the school building and make their way to their classroom with their class teacher.**
- Children who arrive after **8.45 am** must be signed in by school for purposes of emergency evacuation etc.
- Pupils who arrive **between 8.45 am and 08:55 am** will be marked as 'late' but counted as present for that session (Code L).
- Pupils who arrive after the register has **closed at 08:55 am** and parent provides a satisfactory explanation will be marked as 'authorised absent' for that session.
- Pupils who arrive after the register has closed and parent fails to provide a satisfactory explanation will be marked as 'unauthorised absent' for that session (Code U)
- Follow the LA Penalty Notice code of conduct for lateness

Pupils Leaving During the School Day

- Pupils are not allowed to leave the premises without prior permission from the school.
- Parents/carers should arrange medical, dental and other appointments outside of school time unless it is an emergency. Parents/carers are requested to confirm in writing the reason for any planned absence, the time of leaving and the expected return time.

- Pupils must be signed out at Reception/School Office on leaving the school and signed back in on their return.
- When a pupil is being collected from school, parents/carers are requested to report to Reception/School Office before the pupil is allowed to leave the site.
- If a pupil leaves the school site without permission their parents/carers will be contacted. Should the school be unable to make contact with the family it may be appropriate, in certain circumstances, to contact the Police and register the pupil as a missing person or contact Social Services.

Pupils at Risk of Persistent Absence (Under 90%)

Persistent absence occurs when a child's attendance falls below 90%. Absenteeism at this level will considerably damage a pupil's educational prospects and the school will work alongside parents/carers to tackle this issue by:

- establishing robust escalation procedures which are initiated before absence becomes a problem, for example by:
 - sending letters to parents and carers
 - having a weekly tutor review
 - creating attendance clinics/panels
 - use of Personal Support Plans and Attendance Improvement plans
 - setting realistic targets
 - using SMART targets/actions for all involved
 - engaging with local authority attendance teams and/or independent attendance organisations
 - using fixed penalty notices
 - engaging with children's social care staff, including Virtual School Heads and social workers where appropriate
 - establishing a range of evidence-based interventions to address barriers to attendance
 - monitoring the implementation and quality of escalation procedures (and intervention), for example:
 - having a review and clinic/panel drop in
 - sampling of case files
 - evaluating the impact of escalation procedures and seeking robust evidence of the escalation procedures that work and that reflect the school context best o attending or leading on attendance reviews and panels/clinics in line with escalation procedures
 - engaging governors in attendance panels to reinforce messages and outline relevance in terms of training and employment.

Pupils who are Persistently Absent (Under 90%)

- establish clear and effective service level agreements with external partners to support pupils with persistent absence, including:
 - local authority Education Welfare Service or independent attendance organisations
 - alternative providers
 - youth services

- school nursing and mental health professionals
- children’s social care staff where appropriate
- establish good relationships with a network of voluntary organisations and charities to support vulnerable pupils including those with persistent absence, for example:
 - mental health charities
 - mentoring organisations
 - young carers association
 - engage in or lead on attendance reviews and clinics in line with escalation procedures

Where a pupil has missed **10** school days then the school will:

- Carry out a home visit
- Apply strategies to improve attendance
- Apply safeguarding strategies
- Focus on the views of parent and pupil
- Make Child Missing Education referral to notify the LA
- Ensure lead professional is assigned

Where a pupil has missed **20** school days then the school will:

- Update and resubmit the Child Missing Education referral to notify the LA
- Continue communication with parent/pupil
- Ensure plans are in place to improve attendance

Where a pupil has missed 20 school days the LA will:

- Register the pupil as Child Missing Education
- Liaise with the school regarding progress offering support and guidance
- Provide Case work where traded service is in place
- Carry out safeguarding duties

Absence

- Holidays during term time – changes to legislation which came into force in September 2013 made clear that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. If there are exceptional circumstances behind your request, you should discuss these with the Headteacher. Term time holidays will not be authorised.
- Religious Observance – a **maximum of 1 day’s absence** is allowed for recognised religious observance and only where the observance is recognised by the religious body
- Medical, Dental or Hospital Appointments – please ensure these appointments take place out of school time in order not to disrupt your child’s education.
- 1 day’s absence will be granted for a close family wedding or funeral.

Changing Schools

It is important that if parents/carers decide to send their child to a different school that they inform the School Office of the name of the new school in writing as soon as possible. A pupil will not be removed from our school roll until the following information has been received and investigated:

- The date the pupil will be leaving the school and starting the next;
- The address of the new school; and
- A new home address if appropriate is supplied.

The pupil's school records will then be sent to the new school. If the school has not been informed of the above information, the family will be referred to the Education Welfare Service and after four weeks the pupil will be registered on the S2S website as a Child Missing Education. If a pupil is moving abroad with their family, the parents must provide the school with the information above. If the place of education in the country to which they are moving is not known at the time of leaving the school, this must be provided as soon as it is known.

Fixed Penalty Notices (FPNs)

The school refers cases that meet the local authority PN code of conduct in relation to unauthorised absence.

You must get permission from the Headteacher if you want to take your child out of school during term time.

You can only do this if:

- You make an application to the Headteacher in advance
- There are exceptional circumstances

The school Headteacher will determine whether the circumstances are exceptional or not. The Headteacher will decide how many days your child can be away from school if leave is granted.

Should you feel that you have "exceptional" reasons for applying, please contact your child's school at the earliest opportunity and use the appropriate school form. Whilst the cost of a holiday might be an issue it is not considered to be sufficient to be an exceptional reason.

Please be aware that unauthorised absence of 5 days or more can now result in the issuing of a Penalty Notice which carries a fine of £80 or if not paid after 21 days, then the fine is doubled to £160 and court prosecution if unpaid after 28 days. Penalty Notices are served per parent, per child.

Part-time Timetables

- The Local authority has published guidance for all schools, on the use of part-time timetables for pupils of compulsory school age (the term after their fifth birthday to the last Friday in June following their 16th birthday)

- All schools are required to return information on children who are on part-time tables every half term via the Data Collection from Wokingham Borough Council

Elective Home Education

All children have the right of fair access to a suitable and effective full-time education, however there is no legal requirement for this to take place in a school setting. Families are permitted to provide an education for their children at home if they choose to do so, rather than sending them to school full-time (Section 7 of the Education Act 1996). This is referred to as Elective Home Education (EHE).

- The school will not actively encourage parents to Electively Home Educate.
- If the school receives information that a parent is considering Elective Home Education, then they must inform the Local Authority and arrange a meeting with the parent, school and Local Authority representative to ensure the parent is fully informed.
- If a parent submits written application to remove a pupil from the school roll the school must notify the Local Authority at the point at which the regulation for removal has been met.
- The Local Authority will then follow their policies and procedures in relation to Elective Home Education
- Where a pupil has an EHCP then the pupil can only be removed from roll with the Local Authority authorisation and therefore an emergency annual review should be called by the school to address placement.

Monitoring

We believe that this policy will be effective only if it is consistently monitored across the whole school whereby attendance is everyone's responsibility.

Appendix A

Absences will be authorised if:

- The pupil is absent with leave as agreed by the Headteacher.
- The pupil is ill and has not been asked to provide proof of absence.
- The absence occurs on a day exclusively set aside for religious observance by the religious body to which the pupil's parent belongs.
- The pupil is the child of Traveller parents who are known to be travelling for occupational purposes and have agreed this with the school but it is not known whether the pupil is attending alternative provision.
- There is a close family bereavement.
- Leave of absence has been applied for in advance and has been granted because of exceptional circumstances relating to the application (parents cannot expect, as of right, that the school will grant leave of absence). See Appendix D
- Leave of absence to allow a pupil to take part in a performance within the meaning of s37 of the Children and Young Persons Act 1963 © for which a child performance licence has been

issued. HCC will not issue a child performance licence where absence is required without the written permission of the Headteacher.

Only the school can authorise an absence. The fact that a parent has provided a note or other explanation (telephone call or personal contact) in relation to a particular absence does not, of itself, oblige the school to accept it, if the school does not accept the explanation offered as a valid reason for absence. If, after further investigation doubt remains about the explanation offered – or when no explanation is forthcoming at all – the absence will be treated as unauthorised and the parent informed.
