## PE Funding Evaluation Form

- It is intended that this template should be used as preparation for the completion of the statutory digital reporting tool being introduced this academic year. You can upload data (including swimming) from this template onto this platform once it becomes accessible.
- Before you decide how you are going to use the funding for this academic year you should reflect and evaluate the impact of your use of the funding in 2023/24.
- All spending of the funding must conform with the terms outlined in the Conditions of Grant document.
- The template is a working document that you can amend/update during the year.
- Based on your evaluation of last year's funding you should decide what you intend to do this academic year, how you will do it, and what impact you expect it to have.

It is important that the funding is used effectively and based on your school's needs.

- You must use the funding to make additional and sustainable improvements to the PE and sport in your school.
- You must develop and add to the PESSPA activities that your school already offers.

*Summative digital reporting from June 2025 will continue to include swimming and water safety information therefore funding can be used to provide top-up lessons where necessary to ensure pupils meet national curriculum swimming requirements.*

# POLEHAMPTON CE INFANT SCHOOL

At Polehampton Church of England Infant and Junior Schools, our vision is "Let your light shine" (Matthew 5:16). Jesus reminded us in Matthew's gospel that we are lights for the world. As we seek to follow him, we can share his light with others and change the world. Supported by our school values of gratitude, friendship, perseverance, forgiveness, honesty and compassion, we seek to help pupils make positive choices in all they do. We follow our Christian values to enable everyone in our school community to let their light shine. At Polehampton Church of England Infant and Junior Schools, we want all our pupils to be able to let their light shine, regardless of their background. With this in mind, our vision is to use the PE and Sports Premium Grant to enhance PE for all pupils, including for those with additional needs, so that we can all let our light shine.

This is particularly applicable for PE, where pupils are able to develop core skills for future years in the following broad ways:

- Develop core foundations for sport provision.
- Develop an enjoyment of healthy living and understanding how to live a healthy life.
- Develop core skills in how to interact with others, play as part of a team, develop resilience to challenge/failure and learn how to enjoy and manage success, so that pupils can let their light shine in all aspects of their sporting and active movement lives.

Polehampton CE Infant School has also recently renewed its focus as an Active Movement school, and uses this to promote a reduction in inactivity within the classroom.

Our values of **gratitude, perseverance, honesty, friendship, tolerance and compassion** can be seen throughout our PE lessons and wider sports offer. Through these values, we provide a happy, exciting and encouraging environment where children can flourish and develop as individuals. We offer a challenging, broad and relevant curriculum that enables all children (regardless of their background, faith, race, ability or gender) to do their best and achieve well.

Our Values	Impact on the Sports Premium Spending
Gratitude	We show gratitude for the opportunities that we have in our area for sports, with local events, the Junior School's swimming pool, TKAT events and enrichment activities within our school.
Perseverance	Children are encouraged to challenge themselves in a range of activities which are accurately assessed with next steps provided. This ensures that there is continual growth in physical, mental and social development helping the child to be the best they can.
Honesty	This value ensures we can act as good sportspeople by following the rules and showing respect for the referee, rules, their teammates, opposition and traditions of the sport or activity. It is essential we are always honest when participating in school sports and fitness, so that we can become stronger and healthier.
Forgiveness	This value is especially important in sports, as pupils will make sporting errors as they learn new skills. Our pupils offer forgiveness to others when things don't go right, so that we can learn from this, and grow and develop.
Compassion	Many pupils will not be of a similar skill level at a certain sport, for example. Showing our school value of compassion allows us to think about how we can help others to enjoy an activity in a different way and still participate in a meaningful way.
Friendship	Teamwork is a key part of PE, and how we can work together to participate in an active and healthy lifestyle is a powerful driver for us.

## Review of previous year (2024-2025)

Area	What went well?	How do you know?	What didn't go well?	How do you know?
<p><b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school</p> <p><b>Re-launch Active Movement school work.</b></p> <p><b>Addition TA support to provide physical activity for all children during lunchbreaks.</b></p>	<p>More pupils active for more in-class parts of the day.</p> <p>Additional opportunities for the pupils, reduced behaviour issues, more focused play.</p>	<p>Lesson observations, pupil voice.</p> <p>Lesson observations, pupil voice, staff voice.</p>	<p>The Active Walk and other elements were not so easy to introduce.</p> <p>Only impacted key groups of pupils – could not be expanded.</p>	<p>Feedback from staff who felt it was affecting learning.</p> <p>Impact analysis.</p>
<p><b>Key indicator 2:</b> The profile of PESSPA being raised across the school as a tool for whole school improvement</p> <p><b>Engagement in a range of sporting activities via the Trust and other local partners. This is designed to support the organization and delivery of these events, which will have a PPG and SEND focus for some events.</b></p>	<p>Range of pupils with SEND/PPG have benefitted from additional activities and opportunities to be active. This is part of a trust-wide engagement plan.</p>	<p>Event uptake, photo evidence, attendance at the events.</p>	<p>Again, only a limited amount of pupils could attend.</p>	<p>Uptake analysis.</p>
<p><b>Key indicator 3:</b> Increased confidence, knowledge and skills of all staff in teaching PE and sport</p>				

<p><b>Director of Sport to lead and teach PE (including upskilling staff during PE sessions).</b></p>	<p>All pupils across the school taught by DoS, with staff upskilled. ## Intended outcomes for upcoming year (2025-2026)

What are your plans? (Intent)	How are you going to action / . achieve these plans? (Implementation)	What impact/intended impact/sustainability are you expecting?	How will you know? What evidence do you have or expect to have?
Introduce OPAL playtimes to increase purposeful engagement at playtimes	Purchasing into the OPAL scheme with two other schools in the trust to ensure impact and sustainability.	Increased physical activity, improved behaviour at playtimes, more inclusive play opportunities, reduced lunchtime incidents, and enhanced pupil wellbeing. Long-term change in outdoor provision and culture.	Behaviour logs, pupil voice surveys, staff feedback, reduction in behaviour incidents, OPAL baseline and progress assessments, regular photographic and observational evidence.
Additional adult support to enhance PE lesson provision	Employing a trained PE specialist or additional adult to team-teach with class teachers to improve quality and consistency of PE.	Improved teacher confidence, knowledge, and skill in delivering high-quality PE. Better pupil outcomes in PE. Upskilled staff means sustainable impact beyond the funding year.	Lesson observations, teacher feedback, staff audit of confidence, pupil outcomes in PE (skills progression), planning scrutiny.
Additional lunchtime staffing for activities	Recruiting and training lunchtime play leaders or sports coaches to deliver structured, inclusive activities during lunch break.	Increased physical activity levels and participation for all, especially less active children. Improved cooperation, teamwork and behaviour. Embeds a culture of active play and self-led sport.	Activity logs, pupil voice (especially targeted groups), staff observations, behaviour logs, visual evidence (photos/videos), reduction in playground incidents.

# Actual impact/sustainability and supporting evidence

What impact/sustainability have you seen?	What evidence do you have?
<p>The 2024–2025 PE and Sport Premium has supported sustainable improvements across all key indicators. The re-launch of the Active Movement programme has laid the foundation for long-term change in daily activity habits and reduced sedentary behaviour in the classroom. The continued use of additional TA support during lunchtimes has enhanced purposeful physical activity and supported social development, particularly for our PPG and SEND pupils.</p>	<ul style="list-style-type: none"> <li>• Pupil and staff feedback following participation in sporting events and PE lessons has been overwhelmingly positive, with children reporting increased confidence and enjoyment.</li> <li>• Behaviour logs and pupil voice surveys indicate improved engagement and behaviour during playtimes due to structured lunchtime activity and the introduction of Active Movement.</li> <li>• Staff confidence audits and lesson observations demonstrate clear improvement in subject knowledge and lesson quality, directly linked to CPD and coaching from the Director of Sport.</li> <li>• Participation tracking shows increased access to and uptake of clubs and events by all pupils, particularly those from disadvantaged backgrounds.</li> </ul> <p>These outcomes indicate the PE premium has been used not only to improve provision but to embed approaches and build staff capacity that will support physical activity, wellbeing and skill development in the years ahead.</p>
<p>The employment of a Director of Sport has significantly upskilled staff, improving the quality and consistency of PE delivery across the school. This investment is sustainable, as staff confidence and planning skills have improved and will continue to benefit pupils beyond the funding period. Wider pupil engagement in PE and sport, including targeted participation in Trust-led and local events, has raised the profile of sport across the school and promoted inclusion.</p>
