

Dear Parents,

ThinkTank's innovative programme for primary school children uses carefully selected games and puzzles from around the world to develop and sharpen children's **thinking, social and interpersonal skills**.

Thinking skills such as:

- logic
- decision making
- verbal reasoning
- problem solving
- memory

Social skills such as

- teamwork
- collaboration
- fair play

and emotional/self management skills such as

- self discipline
- self confidence
- personal responsibility
- learning from mistakes & winning and losing graciously

Through this well-structured curriculum, children learn how to apply these essential life skills to everyday situations - all whilst having a wonderful time!
