"Let your light shine" Matthew 5:16

As we come to the end of the spring term, it feels fitting to pause and reflect on just how much has been packed into it. We would love you to take a moment to read The Keys newsletter, which captures how we, along with our wider family of schools, continue to nurture and support the children.

It has been a wonderfully busy term, filled with visitors, trips, assemblies, farewells and everything in between. We are incredibly grateful to share each day with your children, who help create such a vibrant and caring school community. Our classrooms are a place of real joy, made so by the children themselves and by the dedication of staff who work tirelessly to ensure that every child is able to shine.

We hope you enjoy a restful and happy Easter break, free from our emails and the rushed school mornings. We hope the children enjoy a well earned rest from our high expectations and get plenty of fresh air and time outdoors, with opportunities to discover some new books to enjoy and share with us when they return. We look forward to seeing them back at school on Monday 13th April.

Today the Juniors said "See you soon" to Mrs Porter who leaves us for ten weeks to do a teacher training placement.

She will be back though - we wish her all the best for this!

As we approach Easter, we take time to reflect on its message of forgiveness and fresh starts. It is an opportunity to recognise that people think, feel and respond in different ways, and to value those differences within our community. Through forgiveness and empathy, children are encouraged to take responsibility, repair relationships and move forward positively. With that in mind, we would like to take this opportunity to wish all our families a happy and restful Easter.

Please see the website for the entries and winners of our House Art Competition at the Junior School. We had some absolutely fantastic entries and the children loved seeing them! We are already looking forward to the next one!
