

Polehampton C of E Schools ~ 13th March 2026

"Let your light shine" Matthew 5:16

Thank you very much for your engagement at Parents' Evening over the past two weeks. The importance of a shared approach between home and school can never be underestimated, for everyone. If you haven't had your meeting yet, please arrange this with your child's teacher asap.

We've had lots of other exciting things happening in school this week; starting strong with a police visit to Blue Class! Year 1 took part in scooter training; a great opportunity to practise their skills, especially with us being so close to such a fantastic skate park. Year 3 and 4 were also visited by Humph, who transported them back in time! Finally, the Juniors enjoyed an incredible piano recital today, so a special mention goes to our wonderful pianists who amazed staff, children and parents with their performances.

Next week is Red Nose Day, this will be a non-uniform day (wearing something red is a bonus but not a prerequisite). The theme is "funny for money" so if the children would like to prepare a joke for their class, we think that would be a lovely addition to the day!

Today was the grand reveal of our new Junior School play equipment! An enormous thank you to families, past and present, for raising the substantial funds to enable our children to have access to something like this. Not every school has the luxury of such equipment and we want parents and children to know that we don't take things like this for granted. The old equipment was beautiful but with rustic charm comes rotten wood! The children were desperate to go on this today so, after some of big names in Polehampton's PTA declared it open, we let each year group have 15 minutes on there! Thank you to John Hellmuth, Polly Chandler, Sam Newman, Cat Hignell, Sam Davies, Laura Farrar, Gemma Collins, Roxana Redondo, Katie Gates, Charlotte Price, Mel McCrossan, Viola Huck and Dil Dhaliwal for your hard work on the committee.

Special guests, letters from children and a subtle nod to Mr Eames for his hard work in coordinating the project!

What a way to end the week!

This week we thought about forgiveness feeling like removing heavy stones from a rucksack on a long walk - do speak with your children to if they are able to articulate the importance of letting things go, in order to feel more content and "lighter" in their mood.

We hope you have a lovely weekend.
